

2023 Queensland Junior Club Championships – Event Information

Tournament Dates

Saturday September 30 – Monday October 2, 2023

Tournament Venue Details

Hosted within Brisbane Region

Venues to be announced following nomination closure

IMPORTANT NOTES

Scoretable Personnel

Each team competing at Queensland Junior Club Championships must supply two (2) competent scoretable officials for each of their games. Team A is responsible for Game Clock and Shot Clock, Team B is responsible for Courtside and Chairperson.

The responsibility will always lie with each team to ensure their games are sufficiently covered – teams will be forfeited if they fail to provide scoretable personnel.

Team Uniforms

The uniform of the team members shall consist of:

- Shirts of the same dominant colour front and back. All players must tuck their shirts into their playing shorts. 'All-in-ones' are permitted.
- Shorts of the same dominant colour front and back, but not necessarily of the same colour as the shirts.

Uniforms are to be numbered 0,00 and number between 1 - 99.

A second set of playing singlets must be on hand if required and the two colours must be distinctly light and dark. The same playing numbers should be allocated to players in both strips if possible.

A uniform information document will be released closer to tournament.

Ticketing

Queensland Junior Club Championships will not be a ticketed event. All spectators are welcome to attend the tournament.

Health and Safety

Basketball Queensland will follow all directions from the Queensland Government, Queensland Health, and local councils regarding restrictions around venue entry and capacities.

Parking

There will be outdoor parking around the venues. Parking may be limited so ensure that you have leave enough time before your game. There will be no allocated parking for team buses.

Sports Med & Strapping

Sports Meds will be present at the venue throughout the tournament.

It is recommended that players come strapped and ready to play to ensure that the first aid area is not congested due to restrictions.

Sports Med can provide strapping to players at the following costs (cash only):

- \$5.00 cash per total applications (if athlete has tape)
- \$5.00 cash per application (if athlete does not have tape)

Tape for sale (by roll): 38mm rigid - \$10; Kinisio - \$20

If during the course of the tournament a player receives an injury and the Sports Med has noted that they should not continue playing in the tournament, but the player wishes to continue, the player must obtain a Doctor's Certificate stating they can play and present this to the BQ Event Commissioner before being permitted to take the court. If the injured player is unable to obtain a Doctor's Certificate due to there being insufficient time between games or there is no surgery open due to the timing/day of the game, written approval from a parent or legal guardian must be provided to the Event Commissioner. It is the Team Manager's duty of care to ensure that the injured player has been cleared to play by a medical professional at the request of the attending Sports Medicine officer.

The Sports Med team will have limited access to ice during competition. Ice will only be provided to athletes injured in games after being assessed by the attending Medic and not for the management of existing injuries or post-game recovery. Ice is a treatment, and every request must be assessed and be accompanied by an injury report form.

Responsibilities Regarding the Draw

Team staff are encouraged to check the draw right up to the start of the event for changes and every day during the tournament. It is the Team Manager's responsibility to ensure their team is present and ready to play at their scheduled game time.

Event staff will make every endeavour to contact teams via a text messaging system to inform them that the next round of fixtures has uploaded on the website. The manager is to then use this information and refer to the draw for their next game.

Please note however that notification via the text messaging system may not always be possible and the responsibility of ensuring the team is at their scheduled game on time will always remain with the team staff.

Results posters will not be available at each stadium due to restrictions. All results can be found online on the Basketball Queensland website.

Conditions of Entry

All participants and attendees at this tournament are bound by the Basketball Queensland Conditions of Entry, BQ Codes of Behaviour, BQ Zero Tolerance Policy, BQ COVID Safe Industry Plan; and by any other Conditions of Entry & Policies as displayed by the venue.

If at any time a person is found to be breaching a code of conduct, the Zero Tolerance Policy or any condition of entry they may be removed from the stadium by event staff and face further penalty under the Basketball Queensland Tournament Tribunal Policy, which will be enforced by the Tournament Technical Committee comprising of the Basketball Queensland Representative, Referee's Commissioner and Host Association Representative.

Team Officials Can and Can't Do's During a Game:

- The team bench personnel are the only persons permitted to sit on the team bench and remain within their team bench area.
- Either the coach or the assistant coach, but only one of them at any given time, is permitted to remain standing during the game. They may address the players verbally during the game provided they remain within their team bench area. Only during time-outs can the coaches enter the playing area to address their team provided they are close to the team bench area.
- The manager should walk behind the team bench (where possible) when attending to player requirements.
- The coach or assistant coach may approach the score table to request a time-out
- The coach and the assistant coach may go to the scorer's table during the game to obtain statistical information only when the ball becomes dead and the game clock is stopped.
- Only the coach should talk to the referees; and always in a courteous manner and under no circumstances should they enter the playing area to do this.
- The captain may talk to the referees during intervals of play to clarify rule interpretations. When the captain leaves the playing court the coach shall inform an official the number of the player who will act as captain on the playing court.

Disputes & Decisions

Game Protests are not permitted at Queensland Junior Club Championships due to the tournament fixture format being used, which does not allow for time to replay games. The referee's decision is final.
