WHY ARE WE USING BASKETBALL CONNECT?

Basketball Queensland has partnered with World Sport Action (WSA) to provide their technology solution, Basketball Connect to the Queensland basketball community, to improve how basketball is managed, played, scored and spectated.

Basketball Connect is so comprehensive, it covers all aspects of running and administering basketball and removes the need to use different systems for different functions e.g. Teampay for payments, refbook for referee rosters, other apps for communication and team messages (WhatsApp, jeja etc). Everything can be managed in Basketball Connect.

With any significant change there will be an adjustment period as administrators, volunteers, coaches, officials and participants learn the system. During this time World Sport Action is also listening to feedback and will respond by making adjustments to ensure that Basketball Connect can realise its full potential as a platform for basketball.

WHY DO I NEED TO CLAIM MY PROFILE?

Your data from Game Day has been imported to Basketball Connect, including details of your Basketball QLD registration fees. Using the same details to register on Basketball Connect will find your details so you can "claim your profile". This will ensure that Basketball QLD fees are charged correctly and ensure there are no duplicate records.

To claim your profile use the same details used in Game Day such as first name, surname, DOB, mobile and email. When you register in Basketball Connect, an SMS or email will be sent with a code to claim your profile. Refer to the Registration Guide for more information.

I DONT KNOW MY GAMEDAY DETAILS?

Log into Gameday and check your account details, copy, or type this address into your browser to log in: <https://passport.mygameday.app//login/>

Your Association will also be able to provide this.

I'VE ALREADY PAID THE BQ FEE, DO I HAVE TO PAY IT AGAIN?

The Basketball QLD registration fee expires every 365 days. Current BQ registration information has been uploaded into Basketball Connect from Gameday.

For memberships that expire DURING the season that you are registering to, users will need to pay the BQ fee again. The new BQ fee period of 365 days will activate on the date the old membership expires.

E.G. PLAYER BOB has a valid BQ registration that expires on 1/6/23 however the season that BOB is registering into ends on the 30/09/2023. BOB will need to pay the BQ fee again upfront when registering on Basketball Connect. The new 365 day membership will begin on 2/6/23 and end on 1/6/24

For memberships that expire AFTER the Season that you are registering to, the BQ fee will not be due.

For new users on Basketball Connect or if you have not claimed your profile, you will need to pay the BQ Fee.

Participants will no longer need a reminder to pay their BQ fee during a competition as all memberships will be valid for the length of the season.
